OCEAN MASTER BOATS – WHERE QUALITY COUNTS

ESTABLISHED IN 2008

Ocean Master Boats was established in 2008. For over **18 years** we have designed, developed and refined fibreglass boats for Australian boating conditions.

PROVEN BOAT-BUILDING EXPERIENCE

Our original boat builder and designer brought decades of experience in fibreglass powerboat design and construction, including work with leading names in the marine industry and award-winning boat designs.

BUILT ON STRONG FOUNDATIONS

Using carefully selected materials and advanced construction techniques – fibreglass stringers, composite floors and transoms, foam-filled construction and vacuum infusion – our boats are engineered for strength, durability and long-term reliability.

DESIGNED FOR AUSTRALIAN CONDITIONS

From inshore bays to offshore adventures, Ocean Master boats are built to perform in the conditions that matter most.

Built strong. Built practical. Built to last.

7 YEAR STRUCTURAL WARRANTY

Every new Ocean Master boat is backed by a **7 Year Structural Warranty**.

Our construction techniques and materials deliver superior hull integrity and strength.

You can be confident your boat is built to handle the harshest Australian conditions.

490 ENTERPRISE

COMPACT CUDDY CABIN

BUILT FOR FISHING. READY FOR FAMILY BOATING.

SMART SIZE. SERIOUS CAPABILITY.

Built for fishing, cruising and relaxed family days, the 490 Enterprise is easy to tow and launch. Its protective cuddy cabin, practical cockpit, flexible seating, generous storage and stable fibreglass hull keep every trip comfortable.

Built around Ocean Master's proven composite hull platform, the 490 Enterprise delivers dependable performance with low maintenance and exceptional durability.

STANDARD FEATURES

HULL & DECK	SEATING & COCKPIT	FISHING & CABIN
- Navigation Lights LED - Self-Draining Anchor Well - Bow Sprit - Heavy Duty Bow Roller - Bow Eyes / Rear Tow Eyes - Under Floor Fuel Tank - Curved Three-Piece Glass Windscreen - Stainless Bow Rails / Alloy Windscreen Rails - Stainless Pop Up Cleats - Single Tone Deck & Hull	- Swivel Deluxe Bucket Seats with 2 x Pedestals - Driver's Side Seat Slide - Fold Down Rear Seats - Fold Down Rear Well Door - Glove Box - Drink Holders - Cockpit Side Pockets - Mechanical Steering - STB Side Bulkhead - Passenger Foot Rest	- Large Underfloor Catch Tank - Live Bait Tank (Plumbing Optional) - Bait/Ice Tank - Stainless Rod Holders x 2 - Large Access Cabin Hatch - Cabin Bunk and Stowage - Cabin Bunk Cushions - Cabin Side Shelves - Acrylic Cabin Side Windows - Alloy Cabin Skylight Hatch

SPECIFICATIONS

LENGTH OVERALL 4.90 m	FUEL CAPACITY 40 L
BEAM 2.10 m	CAPACITY 5 persons
HULL WEIGHT (APPROX.) 550 kg	DEADRISE 16 degrees
MAXIMUM POWER 90 hp	TRANSOM 20 in / 510 mm
OVERALL HEIGHT (NO TRAILER) 1790 mm	MAXIMUM TRANSOM WEIGHT 170 kg

640 CHALLENGER

LOW-LINE OFFSHORE CUDDY

LONG COCKPIT. SERIOUS STORAGE. FISH HARD.

LEAN OFFSHORE FORM. MAXIMUM COCKPIT.

The 640 Challenger combines a sleek low-line profile with a long offshore cockpit and a practical cuddy layout. Its 21-degree deep-V hull, 300 L fuel tank and 300 hp rating provide the range, stability and performance for serious offshore fishing.

A large catch tank, live bait tank, rod storage and an optional dive-door layout keep the cockpit adaptable for fishing, diving and extended days on the water.

STANDARD FEATURES

HULL & DECK	SEATING & COCKPIT	FISHING & FUNCTION
- Navigation Lights LED - Large-Access Cabin Hatch - Self-Draining Anchor Well - Bow Sprit - Heavy Duty Bow Roller 32 mm S/S Bow Rail - Three-Piece Curved Glass Windscreen 25 mm S/S Windscreen Rail - Bow Eye / Rear Tow Eyes x4 - Heavy-Duty Pop-Up Cleats x4 - Single-Tone Hull & Deck	- Deluxe Swivel Chairs with 2 Pedestals - Driver's Seat Slide - Lockable Glove Box - Passenger Grab Rail - Upholstered Rear Back Rest - Hydraulic Steering - Sports Steering Wheel - Cabin Side Shelves with Back Rest - Port & STB Cabin Storage Lockers with Doors x2	300 L Underfloor Fuel Tank with Breathers & Filler - Large Underfloor Catch Tank - Live Bait Tank (Plumbing Optional) - Bait/Ice Tank - Heavy-Duty S/S Rod Holders - Side Pockets & Rod Storage - Flush-Mount S/S Lockers - O/B Motor Well - Single / Twin

HELM & CONTROLS

A clear helm arranged for offshore running.

TACKLE STORAGE

Integrated tackle storage keeps gear ready.

CATCH TANK

Generous insulated catch tank below the cockpit.

OFFSHORE MUSCLE. ROOM TO FISH.

The 710 Challenger is a rugged offshore cuddy with an expansive cockpit and eight-person capacity, a 21-degree deep-V hull, 300 L fuel tank and up to 400 hp on the transom for fast, dry and confident runs to distant offshore fishing grounds.

A large cuddy layout, catch tank, tackle and rod storage and twin-engine capability make it a serious platform for offshore fishing and extended days on the water.

STANDARD FEATURES

OCEAN MASTER
BOATS

HULL CONSTRUCTION

PROVEN COMPOSITE CONSTRUCTION. BUILT FOR LONG-TERM STRENGTH.

FIBREGLASS STRINGERS • FOAM FILLED • COMPOSITE FLOOR • COMPOSITE TRANSOM • VACUUM INFUSION

1 FIBREGLASS STRINGERS

Integrated fiberglass stringers are moulded into the hull structure for rigidity, strength and long-term durability.

2 FOAM FILLED

Closed structural cavities are foam filled through dedicated access points to enhance buoyancy, reduce vibration and support a solid ride.

3 COMPOSITE FLOOR

The composite floor system is engineered for strength, moisture resistance and dependable performance in harsh marine conditions.

4 COMPOSITE TRANSOM

A fully composite transom delivers reliable engine-mounting strength with no timber in the structural transom assembly.

VACUUM INFUSION / VACUUM CONSTRUCTION

Vacuum infusion delivers a superior fibre to resin ratio for enhanced strength, reduced weight and consistent quality throughout the hull.

Ocean Master boats produced from late 2016 use a timber-free composite structural system, engineered for strength, durability and Australian coastal conditions.
